EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Susan Pan (Reg. No. 41,239) on January 23, 2008.

The application has been amended as follows:

In claim 22, lines 10-11; claim 23, lines 9-10; claim 24, lines 13-14; claim 25, line 13; claim 26, lines 11-12, delete the parentheses around "indicating a reading sensitivity" and "indicating latitude" and replace with commas.

The limitation should recite, "wherein the first information represents at least one of a S value, indicating a reading sensitivity, and an L value, indicating latitude, of the radiographic image."

Specification, page 1, line 9, insert -- (now U.S. Patent 6,754,398) -- after "09/592,602"

Specification, page 1, line 16, insert -- (now U.S. Patent 6,771,793) -- after "09/505,768"

Specification, page 30, line 3, insert -- (now U.S. Patent 6,754,398) -- after "09/592,602" and insert -- (now U.S. Patent 6,771,793) -- after "09/505,768"

Specification, page 43, line 10, insert -- (now U.S. Patent 6,771,793) -- after "09/505,768"

Specification, page 67, line 2, insert -- (now U.S. Patent 6,754,398) -- after "09/592,602"

The following is an examiner's statement of reasons for allowance:

Claims 14-19 were previously indicated as allowable. Claims 22-31 were previously objected to as being dependent upon a rejected base claim. Applicant's amendment filed December 21, 2007 placed claims 22-31 in independent form including all the limitations of the base claims from which the depended. Reasons for indicating allowable subject matter can be found on pages 18 and 19 of the Final Office action mailed October 15, 2005.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Anthony Mackowey whose telephone number is (571) 272-7425. The examiner can normally be reached on M-F 9:00-6:00.
